

A mobile app registration screen titled "We need some more info". The screen features a status bar at the top with signal strength, "ABC", time "12:33 PM", and battery level. Below the title is a grey rectangular placeholder. There are three input fields: "Date of Birth" with a calendar icon, "Course" with a dropdown arrow, and "Batch" with a dropdown arrow. At the bottom are two red buttons labeled "Back" and "Next".

●●●● ABC 12:33 PM 

We need some more info

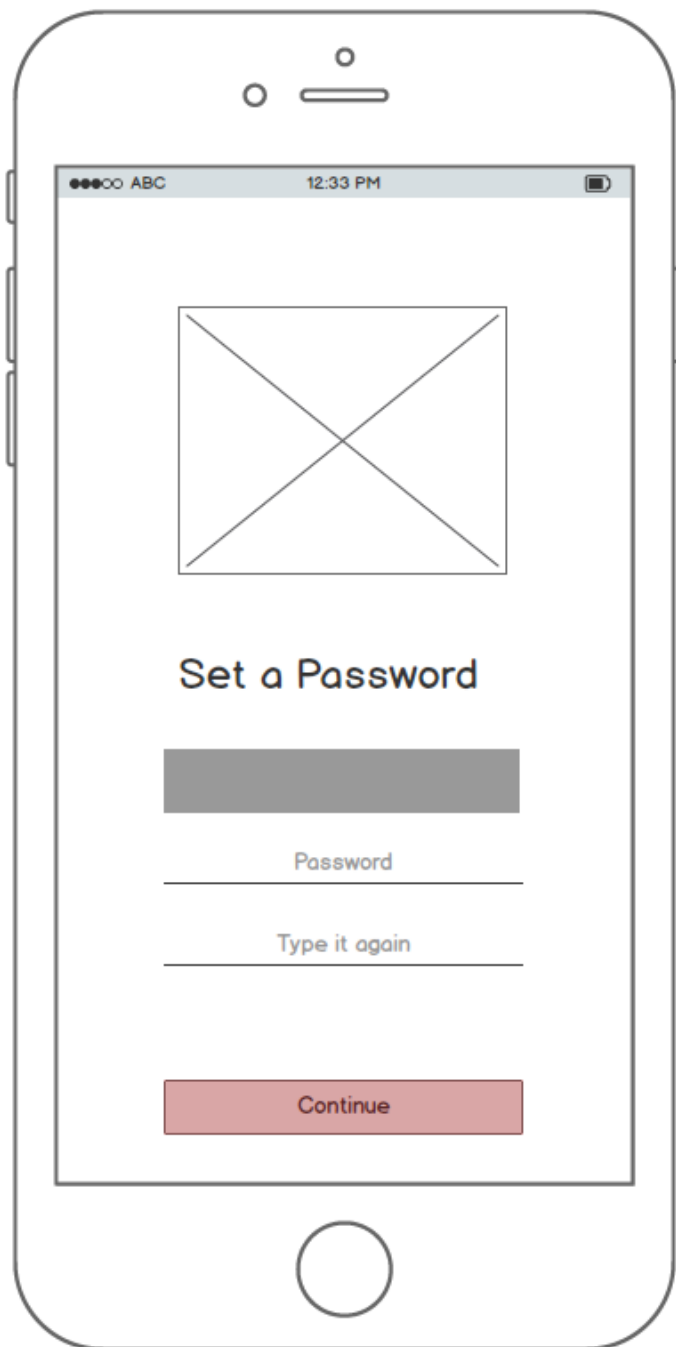

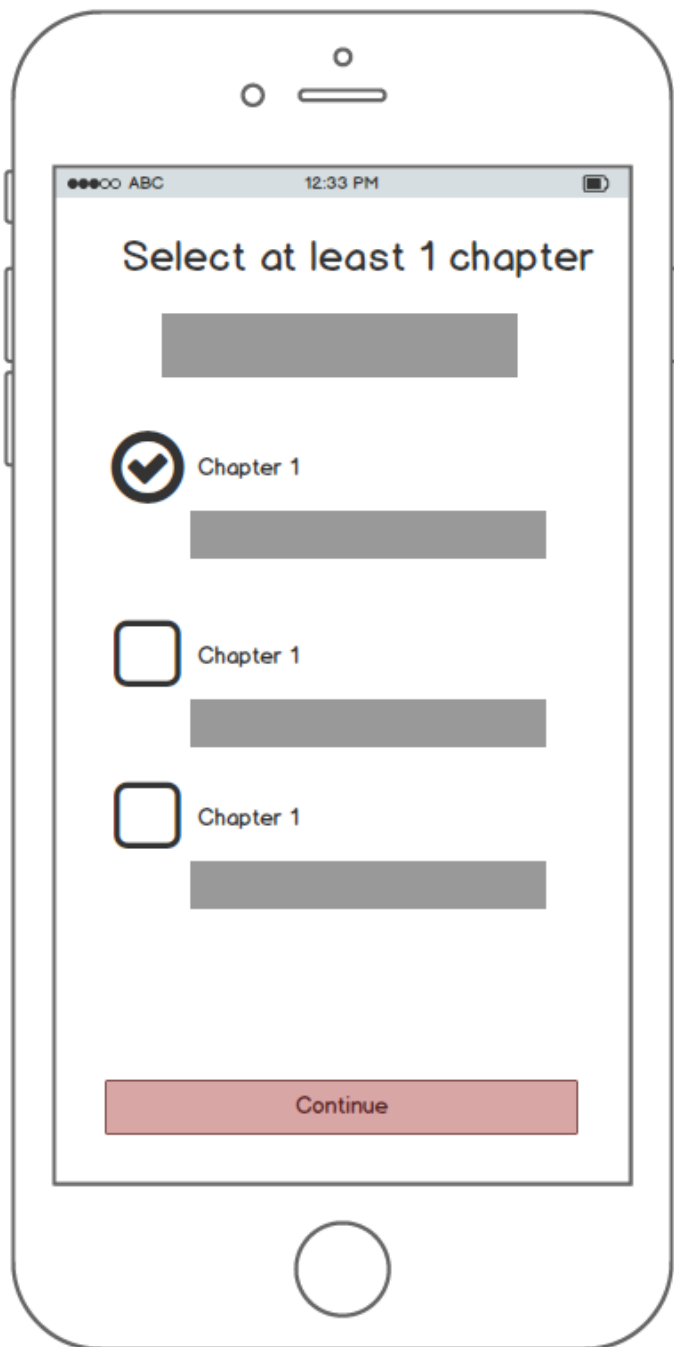

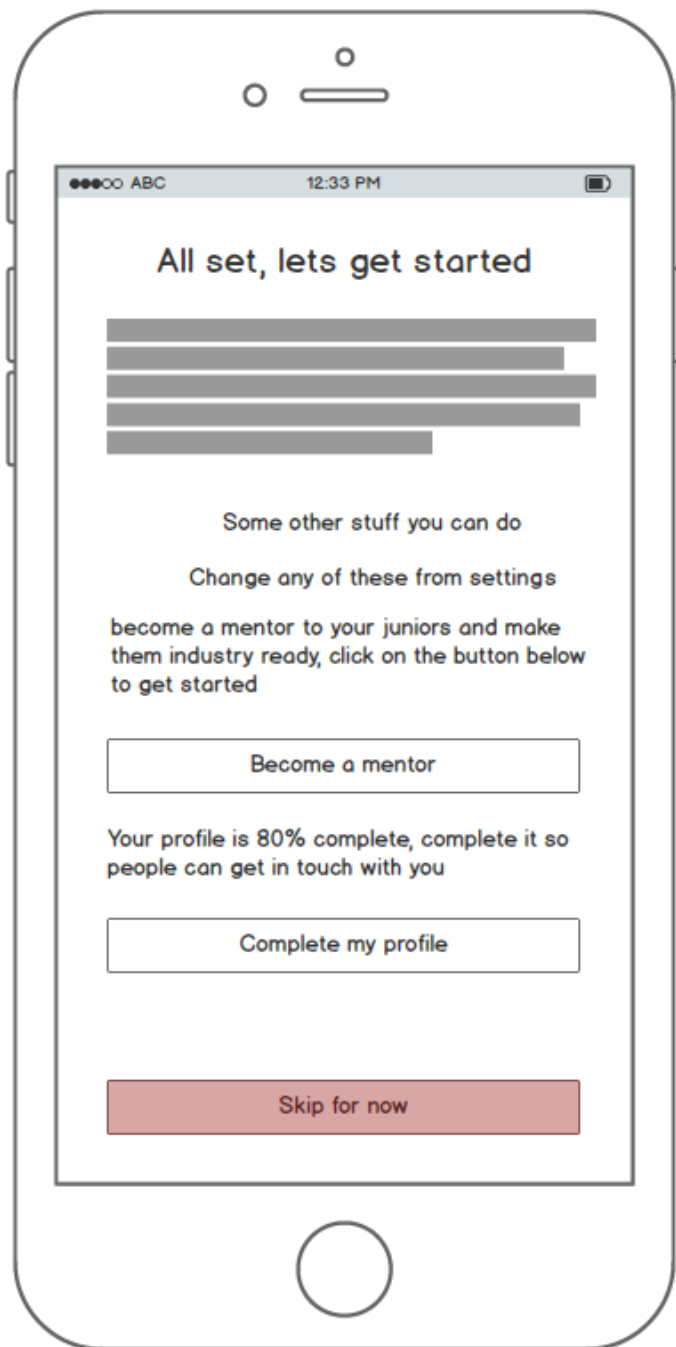

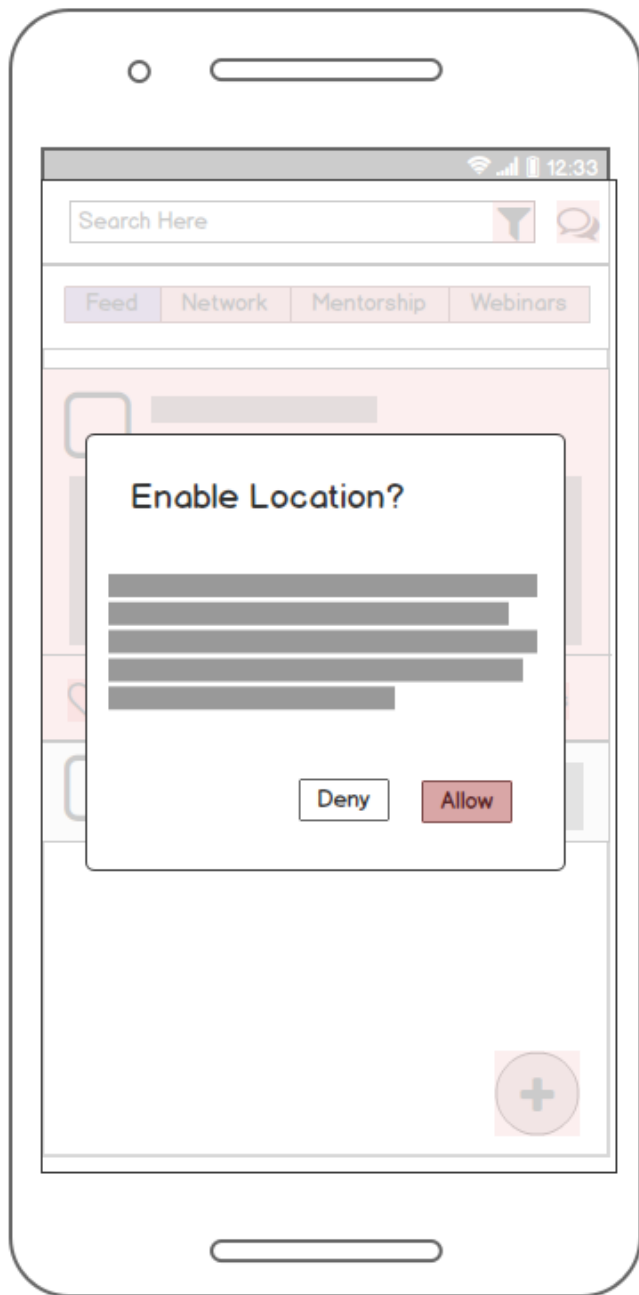

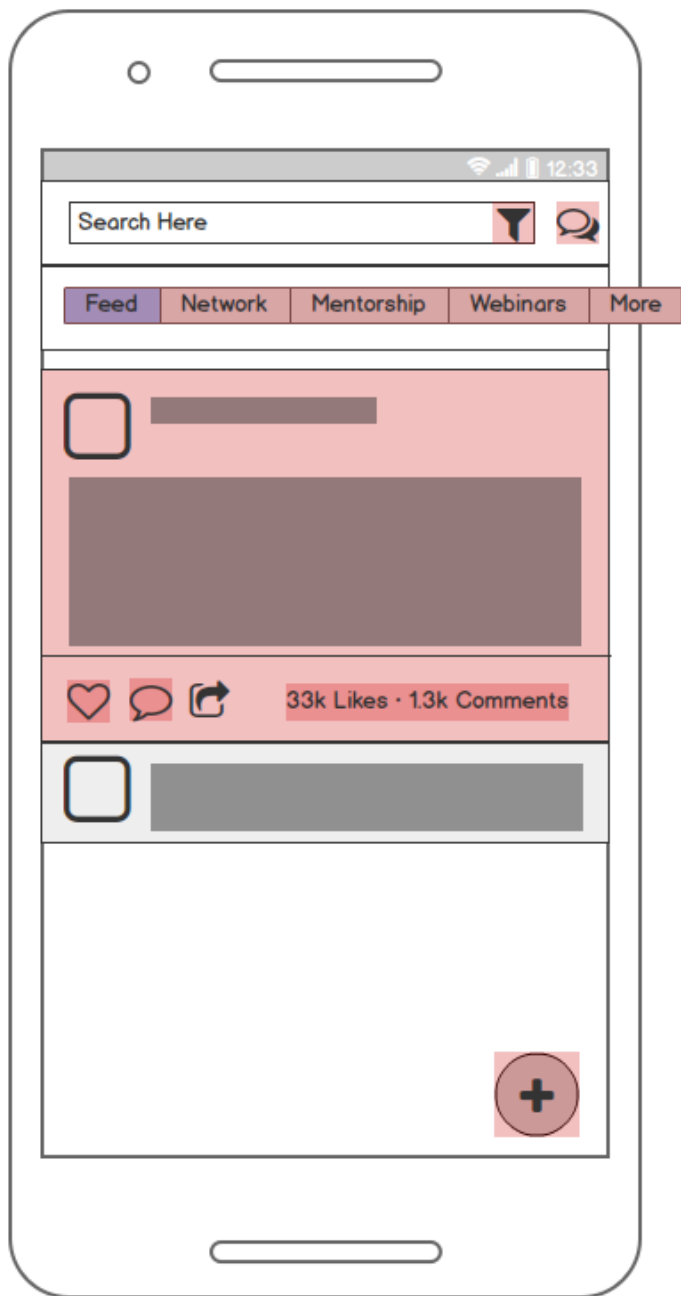

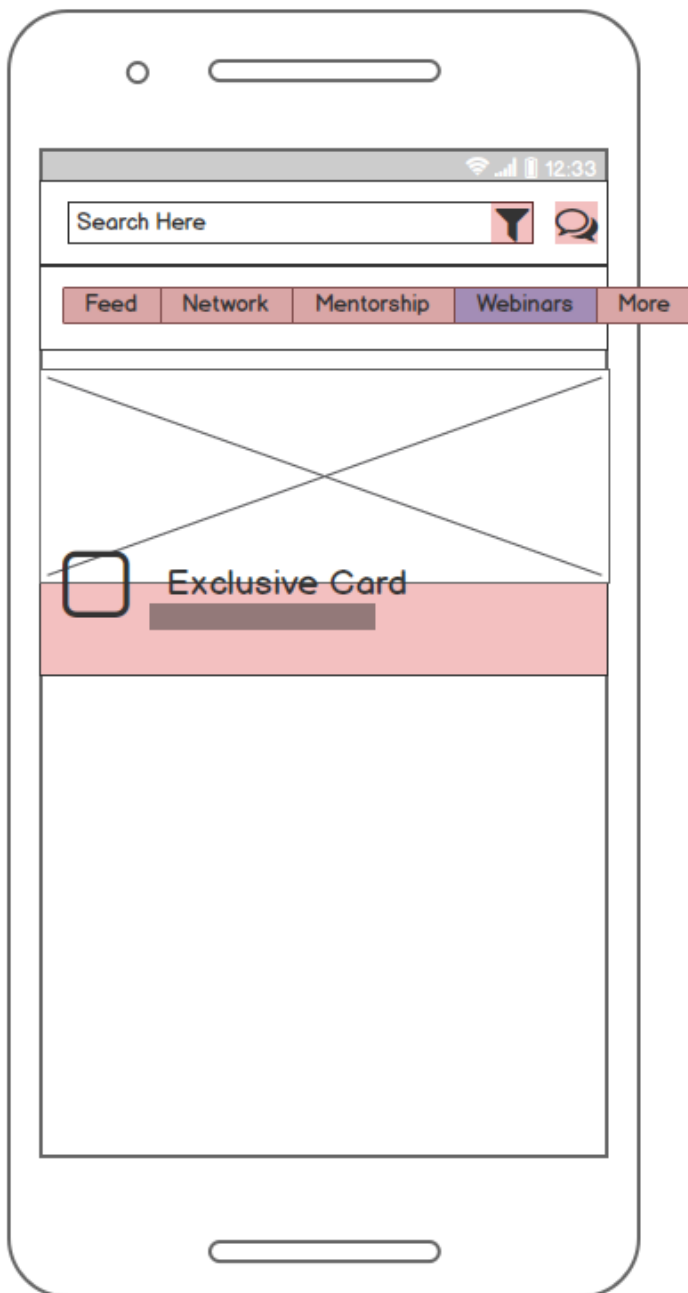

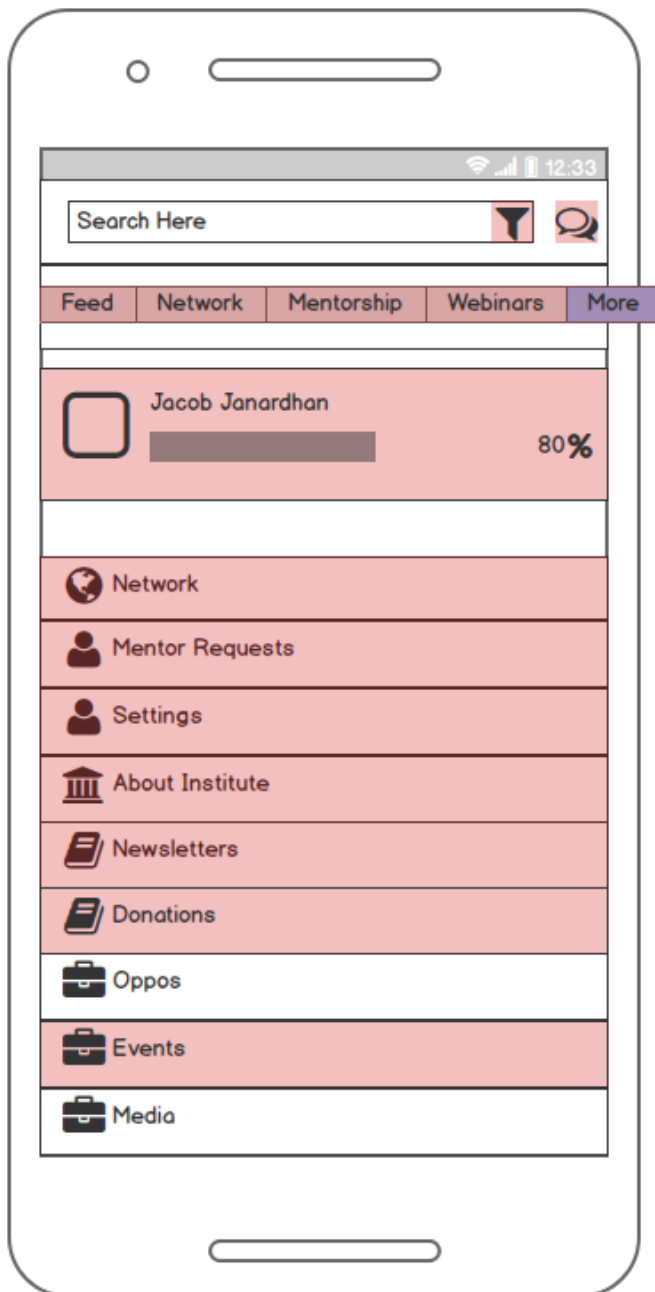

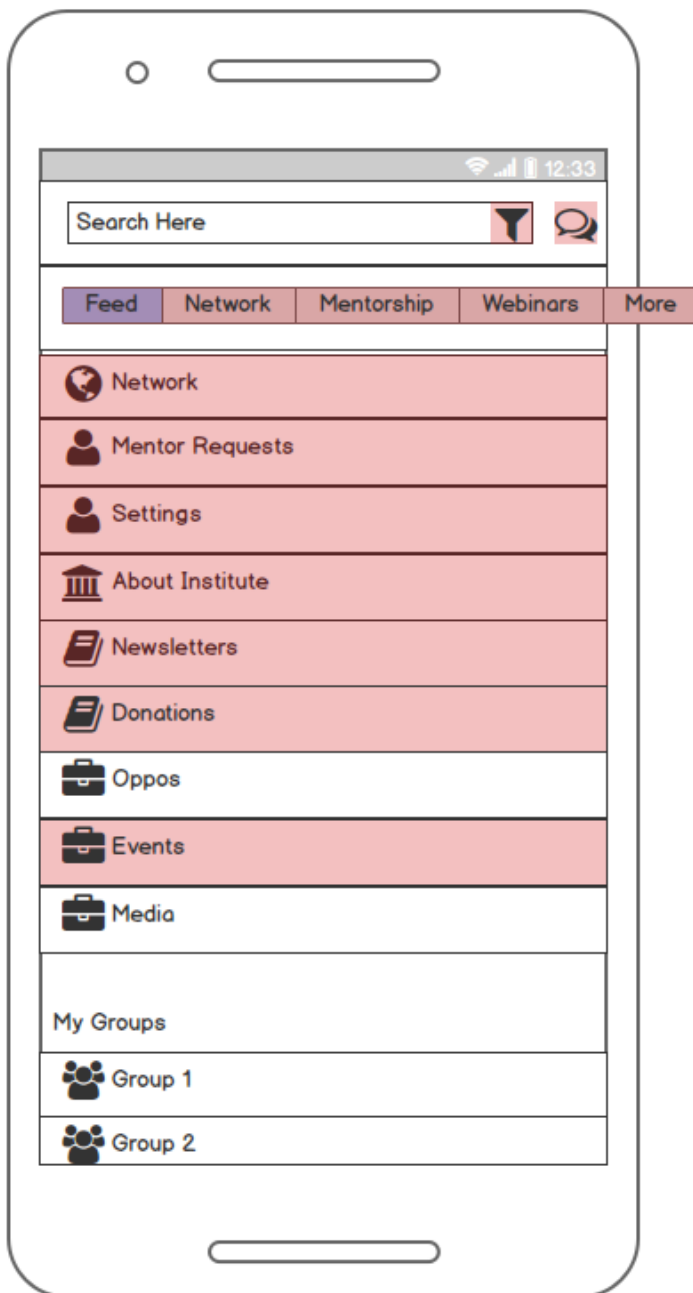

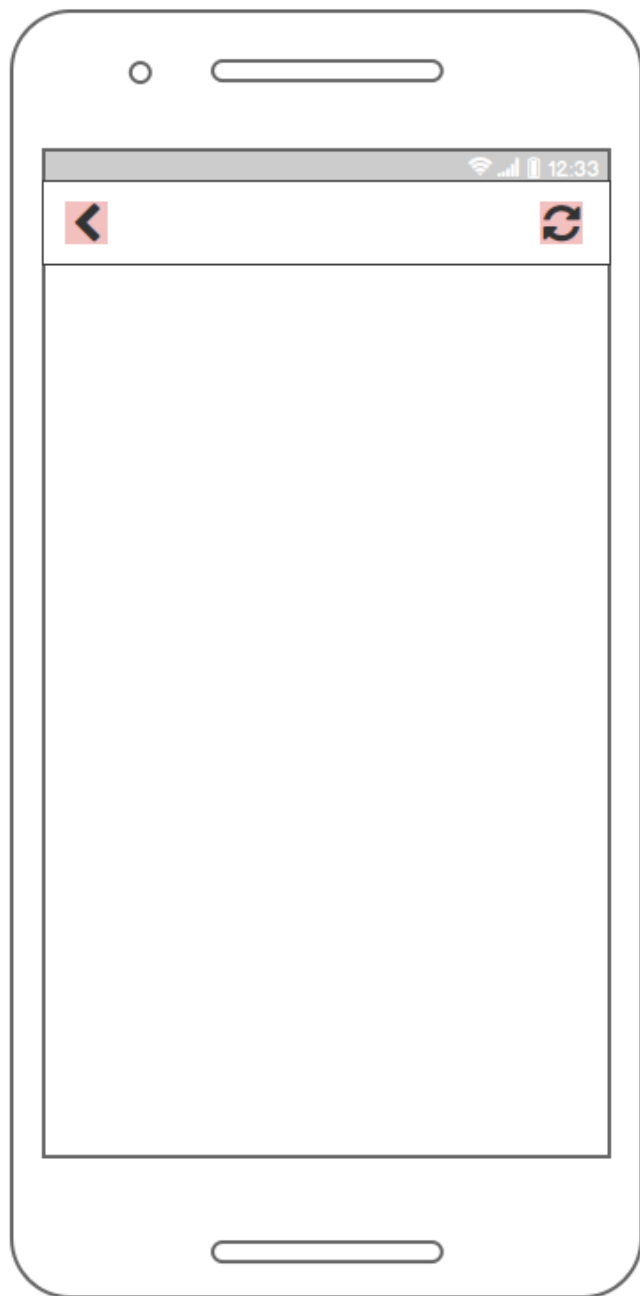

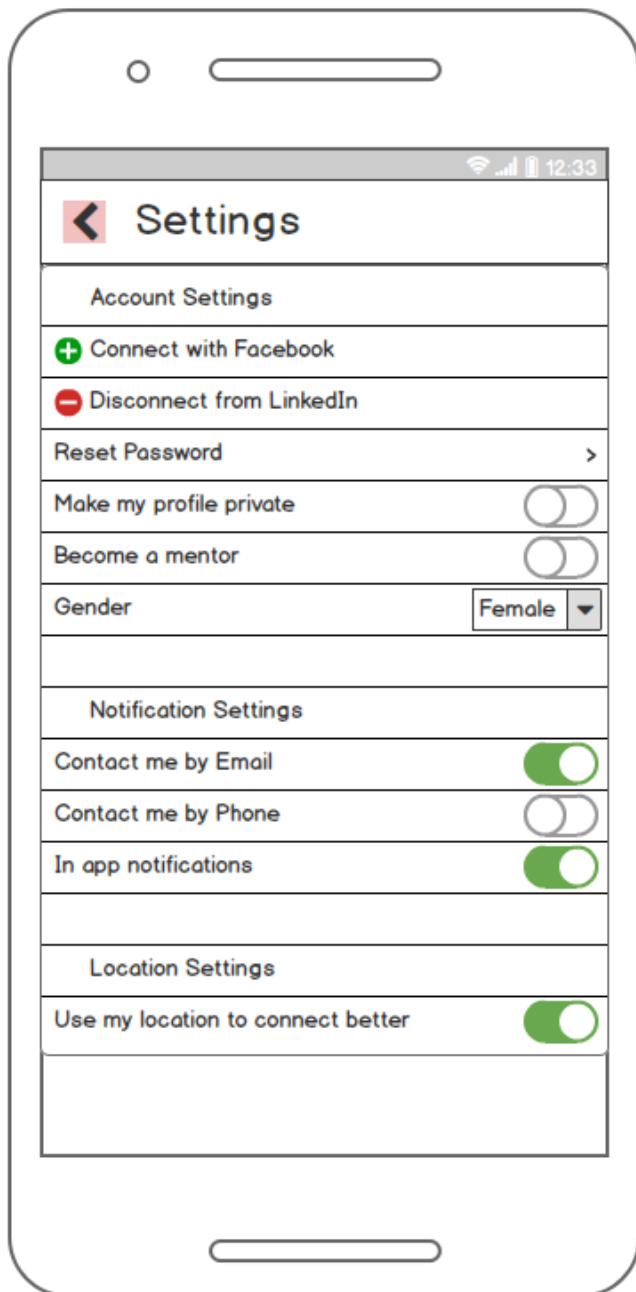

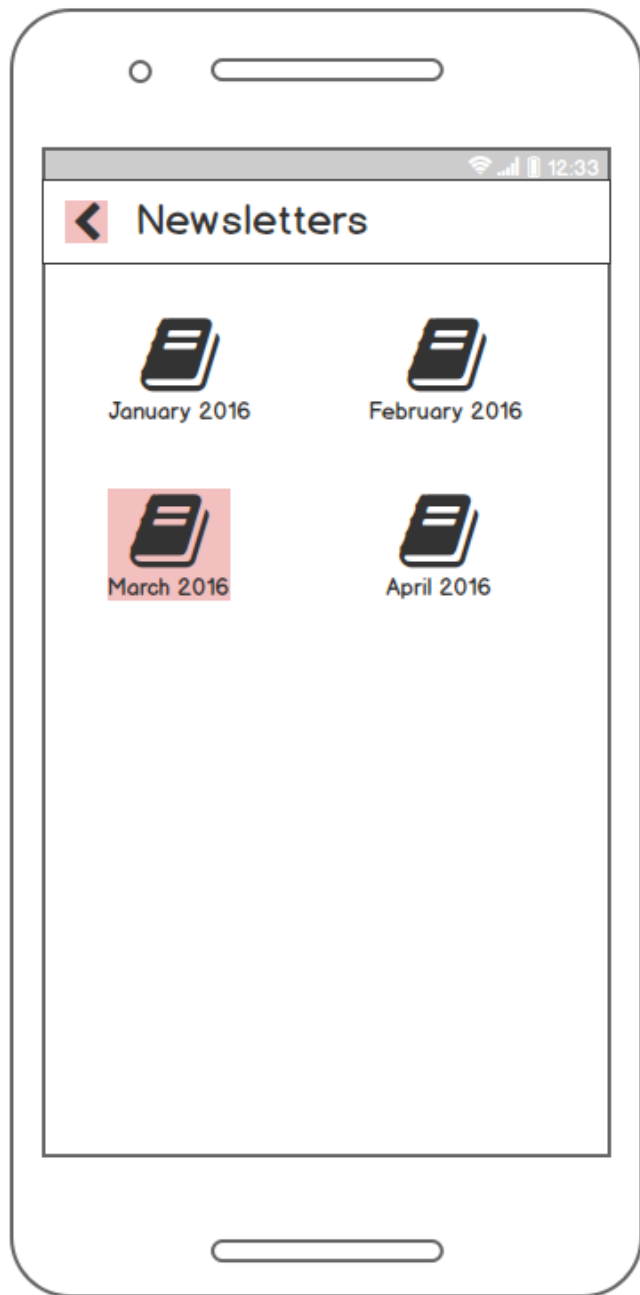

I think we can bundle under network and get the profile thing as the last tab? What are your thoughts? Also, in both versions, what should be the order of the menu items?

A mobile application interface for initiating a payment. The screen is framed by a rounded rectangle with a status bar at the top and a home indicator at the bottom. The status bar shows a Wi-Fi signal, cellular signal, battery level, and the time 12:33. The app's header features a red back arrow icon and the text "Event / Donation Name". Below the header is a square placeholder with a black 'X' inside, representing a missing image. A thick grey horizontal bar follows. The form contains several input fields: "Chulbul Pandey", "chul@bul.com", "+91 971 812 2312", "Membership ID (optional)", and "Enter Amount". Each field is followed by a horizontal line. At the bottom of the form is a grey button labeled "Proceed to Pay". A vertical scrollbar is visible on the right side of the content area.

A mobile application interface for updating a profile. The screen is framed by a rounded rectangle with a status bar at the top showing signal, battery, and time (12:33). Below the status bar is a header with a back arrow and the text "Back to Profile". A horizontal tab bar contains four tabs: "Profile" (selected), "Work", "Education", and "Committees". The main content area lists several profile sections, each with a title and a horizontal line for input: "Your Profile Line", "Summary", "Aspirations", "Languages", "Location" (with a map icon), "Date of Birth" (with a calendar icon), and "Visibility of Profile" (with a toggle switch). The "Visibility of Profile" section shows the text "Public, can be viewed by anyone". At the bottom is a large red button labeled "Update".
